

# FREE Professional Development Workshop For Middle School Teachers & Afterschool Providers

**Saturday, February 4, 2012**

**When: February 4, 2012  
Time: 8:30am—4:30pm  
Where: Bristol Community College**

## **Underwater Robotics: Teacher Support Workshop Wiring Your Control Box, Waterproofing, & 2012 Competition Mission Overview**

Learn how to build your own underwater ROV  
Learn how to incorporate ROV's into your classroom  
Leave the workshop with a fully functioning ROV

### **During the ROV workshop participants will:**

- Build a fully functional small scale ROV that can be replicated with students
- Learn effective waterproofing techniques.
- Review the Scout Middle School ROV Competition Mission and requirements.
- Hear from a middle school teacher currently using ROVs as a teaching model in the classroom.

**Priority registration will be given to Attleboro, Fall River, New Bedford, and Taunton Middle School Teachers and/or after-school providers.**
